

The government is taking us for granted. Don't let them.

We're taking a stand for a better deal and a better Ireland.

From Wednesday 30th September workers
here will be taking industrial action.

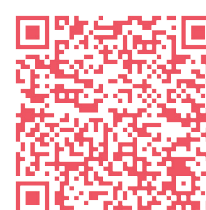

The cost-of-living crisis is hitting everyone
hard; and we're doing the same work for less.

Stand up for your pay, working conditions, and public services.

For more information on the action taking place here contact:
