

The government is taking us for granted. Don't let them.

We're taking a stand for a better
deal and a better Ireland.

From Wednesday 30th September workers here
will be taking industrial action.

The cost-of-living crisis is hitting everyone hard;
and we're doing the same work for less.

Enough is enough. We're ready to take action.

"The cost of a weekly shop is
constantly going up."

Stand up for your pay, working conditions, and public services.

Make sure you
understand the union
instruction, and how
it applies to you.

For more information on the action taking place here contact:
