

# Development Opportunities for HSE Administrative Grades 5, 6 and 7

***Are you interested in progressing your career?***

## How will the PDP work?

Your PDP will help to identify your strengths and areas for development, and will result in a plan for your progression.

## What is it?

A Succession Management Programme using a Professional Development Planning (PDP) Process. It will involve identifying targeted interventions to enhance your skills and capabilities.

## What's in it for me?

A completed PDP based on:  
Your Skills and  
Your Development needs that will provide you with  
Opportunities for  
Your Professional &  
Personal Development

## Who is it for?

Administrative Grades 5, 6 & 7 in Community Healthcare West who are interested in progressing their career

## What does my line manager need to do?

Support you through the completion of your PDP & support you with the identified opportunities

## What do I need to do?

Discuss the Programme with your Manager and fill out an Application Form

For further details and an application form, please contact the Programme Lead
