

Christmas Toy List

Thank you for offering to donate toys this Christmas to Children's Health Ireland hospitals and urgent care centres. We appreciate your support, and please know your kindness will bring a smile to the faces of children in hospital this Christmas.

Please note:

- Due to infection control protocol, we can only accept new toys and books.
- We are unable to accept cuddly toys or material based items.
- Again, due to infection control, all deliveries must be made to the Children's Health Foundation office at 14 – 18 Drimnagh Road, Dublin 12, D12 HX96.
- Deliveries can only be accepted Monday – Friday, 9:00am – 5:00pm
- The deadline for toy deliveries is Tuesday, 20th December 2022.
- All donations should be unwrapped.

Please remember, the above protocols are in place to protect the patients and families of Children's Health Ireland at Crumlin, Temple Street, Tallaght and Connolly. Our hospitals and urgent care centres are extremely busy this winter season, and the teams are working hard to provide the best care possible.
