

HEALTH AND SOCIAL CARE PROFESSIONALS CAMPAIGN

Workplace Survey

Dear colleague,

We are asking all Health and Social Care Professionals to take two minutes to complete this questionnaire.

The purpose of the questionnaire is to find out what issues you are facing in your workplace today.

The more we can understand what your challenges are the better we will be able to work together to deal with them.

Are you willing to support your colleagues by playing a role in being a communication/contact person for your own work area?

YES NO

Name:

Mobile number: Email address:

Name of service:.....

Location:

Occupation or role:

How long have you been employed as a Health and Social Care Professional?

Are you a member of Fórsa?

What are the three biggest difficulties or concerns you face in your job today, in order of importance (apart from salary)?

1.....

2.....

3.....

If you could change one thing within your workplace today, what would it be?

.....
.....
.....

Do you have any concerns relating to health and safety within your workplace? If yes, please provide some detail.

.....
.....
.....

Dear respondent

Many thanks for taking the time to complete this survey.

Data Protection

The data in this workplace survey is being collected to identify issues of concern in the workplace and to help us update the contact details of Fórsa members.

If you provide your contact details you may be contacted in relation to your responses.

In addition the data gathered from this survey will not be used for any other purpose and will be deleted when we have concluded our survey.

Fórsa is committed to processing personal data in accordance with the requirements of data protection legislation, namely the EU General Data Protection Regulation (GDPR) and Irish Data Protection Act 2018, and aims to maintain consistently high standards in protecting and securing all of your personal information. Our Privacy Statement can be viewed at www.forsa.ie.
