A better deal. A better Ireland.

From Wednesday 30th September, civil and public service workers across Ireland are taking industrial action.

As public service workers we serve our communities every day in schools, local authorities, hospitals and across the civil and public service.

But Government is taking us for granted.

The cost-of-living crisis is hitting everyone hard. Without more pay, all workers are doing the same for less.

Enough is enough, we're taking action.
